SMI Adviser Launches New Features at SMIadviser.org

SMI Adviser invites all mental health professionals to use two valuable tools that are now available at SMIadviser.org. These features are completely free to use.

[Insert Your Organization Name Here] is a partner organization of SMI Adviser and contributes expertise and guidance from our team to the initiative.

Request a Consultation

Mental health professionals can request a consultation and receive guidance from experts in serious mental illness (SMI). This feature is available to ALL mental health professionals. This includes psychiatrists, psychiatric nurses, social workers, psychologists, counselors, and peer specialists. Ask us about psychopharmacology, therapies, recovery supports, patient and family engagement, education, and more.

You can request a consult in 3 easy steps:

1. Go to SMIadviser.org/submit-consult
2. Log in or create an account
3. Type and submit your question

Knowledge Base

Browse an easy-to-use database with hundreds of clinical questions about serious mental illness (SMI). Find answers that enhance your practice and help provide the best care for individuals who have SMI.

Simply visit [SMIadviser.org/knowledge-base](https://www.SMIadviser.org/knowledge-base) to use our Knowledge Base at any time.

SMI Adviser is funded by the Substance Abuse and Mental Health Services Administration (SAMHSA) and administered by the American Psychiatric Association (APA). In July 2018, the APA was awarded a five-year, \$14.2 million grant SAMHSA to establish a Clinical Support System for Serious Mental Illness. That is how SMI Adviser began and its purpose is to support clinical care.
